OnSite At Your Site

General Info, Benefits, Requirements

General Info

Are you a landlord, property owner or managing agent of commercial real estate properties in Fairfield and Westchester counties or the surrounding areas?

Strengthen the value of the services you provide by offering OnSite as the official Information Technology services provider for the tenants of one or more of your commercial properties.

OnSite can provide a complete range of Information Technology Services including new IT infrastructure build-outs or the transfer of an existing environment for your tenants looking to move into your space. We can make the transition seamless and offer Network Consulting & Integration, 24 x 7x 365 Support, Scheduled Maintenance, Managed Hosting, and Web & Software Solutions to tenants who have needs beyond their initial moves or who already reside at your property.

Benefits

- Local provider of IT services with experience in almost every industry strengthens your ability to serve your tenants
- OnSite can help assure an effortless move for your prospective tenants
- Revenue sharing
- Full-time on-location personnel available for large complexes

Requirements:

- Your permission for us to send out a mutually approved introduction letter on your letterhead
- Your permission to solicit your tenants for our services within ethical business guidelines
- Your agreement to endorse our services for as long as the engagement is in effect

We've got **IT** covered.

Dear tenant,

We are pleased to announce we have made an agreement with OnSite to provide a complete range of Information Technology services to our tenants.

OnSite offers network consulting and integration including application, virus and security consulting, scheduled maintenance, 24 x 7 x 365 support, managed hosting services, IT staffing and custom as well as third-party web & software solutions.

They can handle the needs of large office environments, and by partnering with us, they can cost-effectively serve small-office environments as well.

We feel their local proximity in White Plains, NY combined with the support they will receive from us and their knowledge of our facilities, will result in a very positive experience should you choose them to handle your Information Technology needs.

For more information, please visit their web site at www.onsitetechnology.com or contact the dedicated OnSite account representative that has been assigned to your property: **Frank Heneghan** at (877 or 914) 682 – 2227 or send an email to frank@onsitetechnology.com

Sincerely,

John Doe
Managing Agent
